**Common Pleas Court Judge Eugene A. Lucci Endorsed  
by Lake Republican Central Committee**

Judge Eugene A. Lucci was endorsed last night by the Lake County Republican Party Central Committee in a rare move to endorse a challenger to a sitting Republican Judge. "I am extremely humbled by the trust the Central Committee demonstrated in me last night." Judge Lucci said. "I presented my view that a judge should obey the law and the Constitution as written, and never substitute his or her own thinking for what the statutes and case law demand. I am extremely pleased that the Central Committee agreed that is exactly how a judge should be."

The endorsement of the Central Committee comes on the heels of Judge Lucci receiving an unusually early endorsement from the Western Lake County Lodge of the Fraternal Order of Police. "As a former police officer, I am extremely honored to receive the endorsement of FOP Lodge #116. From my time as a police officer, through my time as a judge, I have worked diligently to preserve, protect, and defend the constitutions of the State of Ohio and the United States of America. If the people of the five-county 11th District Court of Appeals elect me to that bench, I will continue to uphold the values we all hold dear."

Judge Lucci has been traveling the appellate district made up of Lake, Trumbull, Portage, Ashtabula, and Geauga counties, since his campaign began. "I have been attending as many events in the region as possible because I believe it is very important to reach out directly to the voters in this election. Clearly, the voters understand how important the appeals court is, and I am excited about the groundswell of support my candidacy has received. I am grateful for all of my recent endorsements, but intend to continue working hard to build on all of our accomplishments."
